In the *BRITISH COLUMBIA GAZETTE*, and in one news paper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published*. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901 (*see Journals*, 1901, page 58), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

## DOMINION ORDERS IN COUNCIL.

ACTS, 1905.

*Extract from a Report of the Committee of the Honourable the Privy Council, approved by the Governor-General on the 28th April, 1905.*

THE Committee of the Privy Council have had under consideration a Report from the Minister of Justice, dated 19th April, 1905, with respect to the following Statutes of the Province of British Columbia, assented to by the Lieutenant-Governor on the 8th day of April, 1905, namely:—

Chapter 67.—"An Act to regulate Immigration into British Columbia."

Chapter 81.—"An Act relating to the employment on Works carried on under Franchises granted by Private Acts."

Chapter 85.—"An Act further to amend the 'Coal Mines Regulation Act.'"

The Committee concur in the Report of the Minister of Justice, and advise that the three Acts above-mentioned be disallowed.

JOHN J. MCGEE,

*Clerk of the Privy Council.*

*His Honour the Lieutenant-Governor*

*of British Columbia.*

OTTAWA, 19th April, 1905.

*To His Excellency*

*The Governor-General in Council:*

The undersigned has had under consideration the following Statutes of the Legislative Assembly of British Columbia, assented to on 8th instant, and received by the Secretary of State for Canada on 19th instant, viz.:—

No. 67.—"An Act to regulate Immigration into British Columbia."

No. 81.—"An Act relating to the employment on Works carried on under Franchises granted by Private Acts."

No. 85.—"An Act further to amend the 'Coal Mines Regulation Act.'"

Former enactments of these Statutes by the Legislative Assembly of British Columbia have upon previous occasions been fully commented upon and disallowed, and the views of Your Excellency's Government with regard to them are well known.

The undersigned does not consider it expedient that the present enactments should remain in force, and the fact that the Assembly continues to re-enact these Statutes after full discussion, and after they have been several times disallowed, shows that it would be a mere waste of time to communicate with the Provincial Government with a view to a repeal or modification of these Acts at the hands of the Assembly.

The undersigned recommends accordingly that each of the Statutes above-mentioned be disallowed, and that the Lieutenant-Governor of British Columbia be informed of the action taken by Your Excellency's Government.

Humbly submitted,

C. FITZPATRICK,

*Minister of Justice.*

AT THE GOVERNMENT HOUSE AT OTTAWA.
